*We want to tell you something about us ...*

*we are Gianluca and Samantha, an Italian couple with 3 children and we have been living between Còmpeta and Canillas de Albaida since July 2020. In Italy we lived in the North precisely in Legnago, a town in the province of beautiful Verona, hence the name of our little pizzeria. We left Italy with many ideas, hopes and above all with a dream, that of being able to raise our children in a welcoming, serene place with lots of sun. Our pizzeria is a small reality in which we put our soul and our love and passion for cooking and pizza. We are happy to welcome you whether it is to eat, to have a drink or even just to chat; we also carry out home delivery if you want to enjoy a pizza in the tranquility of your home. We are open every day from 11 in the morning and our pizza is available all day. You can also try our excellent Italian pasta, preferably with a reservation as we always serve fresh products. While waiting to be able to greet you in person, we send you a big hug and look forward to seeing you at PICININ DA LEGNAGO in Avenida de Canillas 21, Còmpeta.*
